BUSWORLD INDIA CONCLAVE 2026

Driving the Future of Indian Bus and Coach Mobility

Innovation | Sustainability | Excellence

A high-impact industry conclave bringing together decision-makers shaping the future of bus and coach transportation in India.

**Honoured by the
Presence of**

H.E. Mr. Didier Vanderhasselt
Ambassador of Belgium to India

28 April, 2026
Tuesday

Venue
Amaltas Hall
Yashobhoomi India International
Convention and Expo Centre,
New Delhi

Why Are We Organizing This Conclave?

India's per-capita availability of buses stands at approximately 1.2 buses per 1,000 people, compared to 6 to 8 buses per 1,000 people in several comparable economies.

This gap represents a significant opportunity for growth across public transport, intercity travel, and tourism. However, progress has been uneven.

Understanding the Challenge

The Indian bus and coach sector involves multiple stakeholders, including manufacturers, body builders, operators, suppliers, financiers, and policymakers. While each has made progress individually, the absence of sustained collaboration across the ecosystem has limited the sector's ability to scale efficiently.

The Objective of the Conclave

Under the patronage of the Belgian Ambassador to India, Busworld brings these stakeholders together on a single platform to encourage dialogue, alignment, and coordinated action that can unlock the sector's true potential.

What to Expect

The Busworld India Conclave is designed as a compact, high-quality conference that prioritises relevance over scale.

- Approximately 50 speakers
- Around 250 industry delegates
- 7 focused sessions
- Carefully selected exhibitors

Who Will You Meet

OEM leaders and emerging manufacturers

Bus and coach body builders

Public and private fleet operators

Suppliers and technology providers

Charging and energy infrastructure players

Financial institutions and leasing companies

Policymakers and regulatory bodies

Indian and global industry experts

Media and thought leaders

Who Should Attend This Event

The Busworld India Conclave 2026 is intended for professionals who play a role in shaping decisions, policy, or execution within the bus and coach mobility sector. It is particularly relevant for those involved in strategic planning, fleet deployment, sourcing, investment, regulation, and technology adoption.

Delegate Fee: INR 15,000/- + GST

Session Highlights

Looking Beyond Diesel

Global and Indian perspectives on sustainable energy adoption, e-buses, Euro VII readiness, infrastructure, and financing models.

Talking to Next-Gen OEMs

How new players are entering the market, differentiating themselves, and building future-ready strategies.

Bus Operators: Movers and Shakers

Insights from next-generation private operators, aggregators, and public transport authorities.

Building India's Next-Gen Coaches

Design, comfort, localisation, premium intercity demand, and stronger OEM-body builder partnerships

Safety, Standards and Skills

AIS and CMVR standards, training ecosystems, telematics, and compliance.

Sourcing and Self-Reliance

Where India is world-class, where global sourcing is essential, and how predictability can unlock supplier investments.

About Busworld

Busworld India is the region's leading platform for bus and mobility leaders.

With a 50-year global legacy, the 2026 edition accelerates India's shift toward safer, smarter, and sustainable mobility.

It brings the industry together under one roof.

Busworld in India

Busworld has a strong and growing focus on India as one of the most important bus markets globally.

The India Conclave is a key step in deepening industry engagement, encouraging global collaboration, and supporting sustainable growth in the Indian ecosystem.

Sponsorship and Exhibition Opportunities

The Busworld India Conclave offers a limited number of sponsorship and exhibition opportunities designed to provide meaningful visibility and engagement with senior decision-makers.

Opportunities are structured to allow flexibility and customised participation based on individual business objectives.
